

Delta report card gives agencies and organizations a D-

The Delta Vision Foundation has released its annual [report card](#) assessing the progress in implementing the [Delta Vision Strategic Plan](#). Government agencies and other organizations have been given a D- for a lack of action in addressing near-term Delta risks and ecosystem restoration. According to the report card, 28 percent of the recommended actions in the strategic plan have been completed. In the 2011 report card that amount was 25 percent.

Flood protection resolution to go before board tomorrow

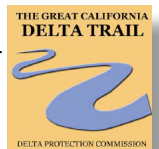

The Central Valley Flood Protection Board will [meet tomorrow](#), June 15, in Sacramento, to consider the proposed [adoption resolution](#) and other materials related to the [2012 Central Valley Flood Protection Plan](#). The resolution has been revised based on additional public input and board discussion at last week's meeting. The board has scheduled a meeting on Friday, June 29, to consider final adoption of the proposed plan.

SRWP offers Technical Assistance

The Sacramento River Watershed Program (SRWP) is offering a workshop series from May 2012 through August 2013, which will be held in seven regions across California. The Watershed Management - Principles, Planning, and Implementation seminar will be held from June 18, 2012 to June 19, 2012, at the Moss Landing Marine Laboratory in Moss Landing. More information is available [here](#) and [here](#).
